Assertion (A statement of what I think about Amazon opening a Cashier Less Grocery Store, Do you think it is a good idea or bad idea)

I believe a cashierless store is a great idea, the only thing that I believe could go wrong is the execution of that idea.

Evidence (Give evidence from the article of why you think opening a cashier-less grocery store may be good or bad. Be sure to quote from the article your evidence. For example, "According to the article, "...") Give at least 2-3 examples (quotes from the text)

According to the NewsELA article, "Amazon opens cashier less grocery store", "While cashier-less stores remove the annoyance of waiting in line to pay, it also kills some joys of the supermarket. There is no one to bag groceries. Instead, Amazon gives out reusable bags so shoppers can fill them as they shop." However, The article also adds that, "Hoping to catch up to Amazon, other retailers and start-ups are racing to bring similar cashier-less technology to
