

# Bankruptcy Project

BMA-LEB-7 Categorize, evaluate, and assess specific statutory/regulatory schemes impact on a business. 7.1 Describe and discuss the impact on a business of the various aspects of bankruptcy including Chapter 7, Chapter 11, Chapter 13, involuntary, and voluntary.

Objective: Research a company that has filed Bankruptcy. You will complete this assignment using google slides. Make sure that you include credible sources at the end of your powerpoint. Get creative, add pictures, make sure your slides are detailed, and add any other information that you think will be important. Below is a link attached with information on Bankruptcy and a list of stores that have filed.

- Company Name
- What does this company sell?
- Why did they file for bankruptcy?
- Which chapter did they file?
- When did they file (month/year)?
- Does the company have new owners?
- Did they have to close down all the stores?
- Is this a store you're familiar with (meaning is this a shop you shopped at or know someone who has)?
