ChristiK Travel is a woman owned Independent Licensed and Bonded Travel Agent, based in the heart of Savannah excited about integrating with Savannah residents, ready to offer them respite through travel from their everyday grind. While she can book all travel, she finds herself pulled to the Caribbean, All Inclusive Vacations, with a focus on Sandals and Beaches Resorts for Destination Weddings and Honeymoons. ChristiK Travel is actively participating in the Savannah Community and has plans in the making to work with organizations like Blessings in a Book Bag and Local Chapters of The Leukemia and Lymphoma Society, providing them travel experiences that they can use to further their fund-raising efforts.

At this event, she met the owner of ChristiK Travel agency and learned all about this new business in Savannah. Ms. Kelly-Murray was also able to network with other area business owners and discuss ideas about possible collaborations with the SOLS business program.
