

## FBLA CREED

### **Standard: 10.1 Explain the goals, mission and objectives of Future Business Leaders of America.**

Directions: Research the FBLA Creed and write a response in reference to what the creed means to you. How can you relate the creed to your personal life and within a business industry? Use the AEC strategy below. AEC stands for an **Assertion** (what are you trying to prove, what do you think about the topic, what inferences can you draw from the creed?) **Evidence** (what can you use to show evidence?) **Commentary** (explains how the evidence proves the assertion to be true).
