Good Afternoon Mr. Caver,

Thank you again for your interest in our school and programs. Attached you will find a copy of the Georgia Department of Education document which outlines the 24 standards by which Work Based Learning is governed. Again I want to thank you all for your interest in our school and programs.

Of special note for you is section 9 of the document which outlines the working of the Advisory Committee. Upon your review, please do not hesitate to reach out to me with any questions you may have. I am at your service.

Respectfully,

Timothy M. Sheppard
School to Work Coordinator.
