

Living Online - Social Communication Student Worksheet Unit 1: Being Social Online

1 of 2

Name: Jaleigha McKnight Class: 3rd Date: 10/20/21

BMA BC.1.6 Present a professional image through appearance, behavior and language.

Lesson 5: It Goes Down in the DMs

1. Define each of the following terms:
 - a) Instant message: Type of electronic com that allows two people to communicate.
 - b) Netiquette: A code of good practices relating to electronic communications
 - c) Hashtag: Word or phrase preceded by a number sign or hash symbol
 - d) Forum: Online discussion site where users post questions and answers to create conversation
2. Why should you think twice before sending private messages? Because the messages never disappear
3. List the 10 rules of netiquette. Remember the human, real life rules, know you are in cyberspace, respect others time and space, make yourself look good online, share expert knowledge, don't fan flames, respect others privacy, don't abuse power, be forgiving
4. Why do you think netiquette rules are important? To be able to interact with others without hurting anyone's feeling or doing something inappropriate
5. Why are hashtags used? To make a word or phrase into a shareable link
6. What are forums used for? To ask questions and find answers for the questions

7. Why should a person have separate personal and professional social network pages? It will help you share the correct information to an exact audience
8. Why should you limit your time on social media? Too much social media can become addictive and can take a negative turn on your emotional well-being.
